## **INTRODUCTION OF NEW EMPLOYEES**

The County Manager noted the recent hiring of county employees Alicia Cummings (Assessor's office), and Henry Herrera (DWI Program). Cummings was present and introduced by Assessor-elect Patricia Gallegos, while Herrera was not in attendance. Both were welcomed by the County Commission.

**AT 2:19 P.M., THE COMMISSION PROCEEDED  
TO REGULAR ORDER, AS FOLLOWS:**

**ITEM 4: PUBLIC HEARING AND ADOPTION OF ORDINANCE NO. 08-12-14-GRT**

*[This Item was advanced on the Agenda per the recommendation of the County Manager and action by the Commission, as noted previously under Approval of Agenda.]*

County Manager Les Montoya introduced this Item, informing the Commission that proposed Ordinance No. 08-12-14-GRT (imposing a gross receipts tax of one-twelfth of one percent) was introduced by Resolution adopted by the Board of Commissioners at its regular monthly meeting held July 09, 2014, and that notice of today's hearing on the proposed Ordinance, and the Ordinance itself (in its entirety) were published in the Las Vegas Optic on July 21, at least two weeks in advance of today's meeting/hearing thereon, as required by law.

Whereupon, at 2:22 p.m., Chairman Leger convened a public hearing on the proposed Ordinance, and invited any person to offer public comment on the ordinance, for or against. The following persons addressed the Commission and spoke in favor of the proposed ordinance: Lavinia Fenzi, Harold Garcia, Georgina Ortega and Virginia Marrujo; and no person spoke against adoption of the ordinance.

At 2:29 p.m., Chairman Leger thrice asked if any other person desired to speak on the proposed ordinance, and no person sought recognition. Whereupon, at 2:30 p.m. Chairman Leger concluded the public hearing and entertained action by the County Commission. Thereupon, Vice Chairman Ortega moved adoption of Ordinance No. 08-12-14-GRT, and upon a second by Commissioner Ortiz, the Clerk proceeded to call the roll of the Commission, and all five Commissioners voted in the affirmative, and at 2:31 p.m., Ordinance No. 08-12-14-GRT was duly approved, adopted and ordained.

**ITEM 1: DISASTER DECLARATION (RESOLUTION 08-12-14-OEM-FLOODS)**

County Manager Les Montoya presented this Item, informing the Commission of the heavy rainfall and severe flooding experienced throughout the County during the months of July and August, 2014. As a result, said the Manager, County roads and drainage structures were severely damaged and affected, creating unsafe conditions, and requiring resources and funding beyond County capabilities.

The Manager then presented the above-titled and numbered Resolution declaring a disaster, for submission to appropriate public agencies for assistance, and upon a motion by Commissioner Sena and a second by Vice Chairman Ortega, the Resolution was duly approved, ratified and adopted by unanimous voice vote of the County Commission.

## **ITEM 2: INTERGOVERNMENTAL AGREEMENT WITH BERNALILLO COUNTY RE SECTION 8 HOUSING PROGRAM**

The County Manager made a brief presentation relating to the County's on-going agreement with Bernalillo County for the latter's administration of San Miguel County's Section 8 Housing Program, and his recommendation that the agreement be renewed by virtue of the Intergovernmental Agreement which is the subject of this Agenda Item. The Manager then introduced Betty Valdez, Executive Director of the Bernalillo County Housing Program, who has been overseeing the administration of the SMC Section 8 Housing Program.

Valdez reported to the Commission that its Housing Program is gradually advancing and that the most recent audit shows the Program is "light years" ahead of its past performance. Valdez said she is hopeful the Program will soon be out of "troubled status" and that everything is pointing in that direction. (Once that is done, according to Valdez, she will seek to secure veterans vouchers for the SMC Housing Program.)

Commissioner Padilla then made inquiry concerning improved communications with landlords, and inspections of rental units, and Valdez said communications are improving and that required inspections are being undertaken. Commissioner Padilla was followed by Vice Chairman Ortega, who said he supported the idea of a liaison as outlined in the Agreement. Ortega also noted that there is no end-date in the Agreement, and the County Manager responded that he prefers that the Agreement be open-ended, as a long-term agreement is anticipated, though it can be terminated on notice as provided in the Agreement.

Whereupon, at 2:51 p.m. Commissioner Padilla moved and Commissioner Ortiz seconded, approval of the Intergovernmental Agreement with Bernalillo County for its administration of San Miguel County's Section 8 Housing Program, and the motion was approved by unanimous voice vote of the Commission.

## **ITEM 3: APPROVE INVITATION FOR BIDS/HAZARDOUS MATERIAL ASSESSMENT**

Upon the recommendation of the County Manager (in the absence of Emergency Manager Dennis English), Commissioner Padilla moved and Commissioner Sena seconded, approval of an Invitation for Bids for services to determine hazardous materials in buildings at the old Rivera Housing Project site, and for costs to test, abate and remove any such hazardous materials.

## **ITEM 4: ADOPTION OF COUNTY ORDINANCE NO. 08-12-14-GRT**

[This Item was taken up as the first Item on the Agenda, above, as previously determined by the County Commission upon its approval of the Agenda.]

## **ITEM 5: LODGERS' TAX APPROPRIATIONS FOR 2014-2015**

County Manager Les Montoya introduced this Item at 2:56 p.m., noting that the Lodgers' Tax Advisory Board had met and evaluated all proposals for Lodgers' Tax funding for fiscal year 2014-2015. Whereupon Lodgers' Tax Advisory Board Chairman Glen Post addressed the Commission and delineated the recommendations of the Advisory Board, as follows: That the Pecos Business Association be awarded \$10,800.00, the San Miguel/Mora Fair Board \$2,500.00, and the Las Vegas/San Miguel County Chamber of Commerce \$3,500.

Questions ensued from Commissioners, including Chairman Leger's query whether the Pecos area had been significantly impacted by fires and flooding of late, and Vice Chairman Ortega's query whether procedures had been adhered to in evaluating proposals and making the allocations.

Thereafter, at 3:27 p.m., Lavinia Fenzi, Executive Director of the Las Vegas/San Miguel Chamber of Commerce addressed the Commission. Fenzi explained the Chamber's need for more funding than that recommended by the Advisory Board, and she also reviewed the Chamber's accomplishments and goals.

A discussion then ensued by and between Commissioners, with Chairman Leger saying he was not inclined to fund the Chamber as it will probably not receive any funding from the City of Las Vegas and may cease to exist if that happens; and Commissioner Padilla saying that the Commission should not make its decision in the matter based on what the City may or may not do, and that the Chamber has justified its need for an allocation of Lodgers' Tax Funds; and Commissioner Ortiz saying he supported the recommendations of the Lodgers' Tax Advisory Board.

Whereupon, at 3:37 p.m., Commissioner Padilla moved and Commissioner Ortiz seconded, approval of the funding allocations recommended by the Lodgers' Tax Advisory Board, namely, \$10,800.00 for the Pecos Business Association, \$2,500.00 for the San Miguel-Mora Fair Board Association, and \$3,500.00 for the Las Vegas/San Miguel Chamber of Commerce, and the motion carried by a vote of four (04) in favor, and Chairman Leger voting nay.

## **ITEM 6: ADDENDUM/COMMUNICATIONS TOWER LEASE IN TRUJILLO**

Upon a motion by Commissioner Padilla and a second by Commissioner Sena, the Commission approved the addendum to the Lease Agreement for the communications tower in Trujillo, allowing Irene S. Martinez to be substituted on the underlying lease for her deceased husband, Benjamin Trujillo. (The Item was presented and recommended by Finance Supervisor Melinda Gonzales.)

## **ITEM 7: CONTRACT RENEWAL WITH DATAMATX FOR SOLID WASTE BILLING**

Upon the recommendation of Finance Supervisor Melinda Gonzales, Commissioner Sena moved and Commissioner Padilla seconded, approval of second year renewal of contract with Datamatx for printing and mailing of the County's solid waste bills.

## **ITEM 8: FRANCHISE AGREEMENT WITH FARMERS' ELECTRIC COOPERATIVE**

Upon the recommendation of Planning & Zoning Supervisor Alex Tafoya, Commissioner Ortiz moved and Commissioner Padilla seconded, approval of Resolution No. 08-12-14-FARMERS' FRANCHISE, extending for one year the franchise agreement for utility services provided by Farmers' Electric Cooperative in San Miguel County.

## **ITEM 9: FUNDING REQUEST BY ENTREPRENEURIAL NETWORK**

County Attorney Jesus L. Lopez advised the Commission that granting the funding request by the Entrepreneurial Network, in any amount, would be a violation of the anti-donation clause of the New Mexico Constitution, Article 9, Section 14, as the Network is a private organization, though its goals are commendable. Lopez also advised the Commission that funding to the Network might be lawful under either the Lodgers' Tax Act or the Local Economic Development Act, and the County's implementing ordinance.

Whereupon, at 3:49 p.m., Commissioner Padilla moved and Vice Chairman Ortega seconded, that the funding request by the Entrepreneurial Network of Las Vegas and San Miguel County, in the amount of \$8,000.00, be denied, and the motion carried by unanimous voice vote of the Commission.

## **ITEM 10: PHIL H. BIDEGAIN ANNEXATION REQUEST INTO QUAY COUNTY**

Chairman Leger presented a brief overview of this Item, noting that Phil H. Bidegain had previously appeared before the Commission (on April 08, 2014), requesting that his property, known as the T4 Cattle Company, in east San Miguel County, be annexed by and into Quay County. Chairman Leger also noted that at the April meeting, the Commission directed that the matter be again presented to the Commission, after Mr. Bidegain secured a survey showing the area to be included in the annexation request.

Chairman Leger then recognized Phil H. Bidegain, who addressed the Commission and again stated his desire that the subject property, more than 100,000 acres, be annexed by Quay County. Whereupon Chairman Leger noted that the annexation request is governed by Sections 4-33-1 to 4-33-17, NMSA 1978, and that the provisions of Section 4-33-1 require that Mr. Bidegain demonstrate the conditions precedent specified in that Section, relating to location and condition of roads, or the existence or nonexistence of transportation facilities, and matters relating to convenience and economic benefit, and Leger inquired of Mr. Bidegain whether he felt he met those statutory requirements, to which Mr. Bidegain replied in the negative.

Other Commissioners also posed questions to Mr. Bidegain, Commissioner Sena asking what it would take to make Bidegain happy in San Miguel County, to which Bidegain said he had no problems with San Miguel County, but preferred that his property taxes benefit Quay County, where his children attend school. Commissioner Sena also asked whether the annexation request would provide any benefit to San Miguel County, and Mr. Bidegain answered in the negative. Following Commissioner Sena's inquiries, Commissioner Padilla told Bidegain that he was a good neighbor and that Padilla wanted to keep him in the County, not transfer him to another county.

Whereupon, at 4:05 p.m., Chairman Leger made a motion that the Board of Commissioners taken no action on the annexation request by Phil H. Bidegain, and the motion was seconded by Commissioner Padilla. Upon a call of the question, all Commissioners voted in the affirmative, and the motion was duly approved. (Following action by the Commission as aforesaid, Commissioner Sena asked the County Attorney to state his position in the matter, and County Attorney Lopez said he agreed with Chairman Leger that Mr. Bidegain did not meet the statutory requirements of Section 4-33-1, NMSA 1978. Lopez also noted that the Quay County Board of Commissioners had previously approved Bidegain's annexation request.)

#### **ITEM 11: AUTHORIZATION TO NEGOTIATE WITH TYLER TECHNOLOGIES, INC.**

*[At 4:11 p.m., at the conclusion of the foregoing Item, Chairman Leger left the Commission Chambers, and Vice Chairman Ortega assumed the gavel.]*

#### **ITEM 16: PUBLIC WORKS DIVISION REPORT FOR THE MONTH OF JULY, 2014**

*[At the inception of this Item, at 4:29 p.m., Chairman Leger returned to the Commission Chambers.]*

Whereupon, Commissioners commented and queried as follows:

**Vice Chairman Ortega:** Asked what high-impact areas are covered by the County's emergency declaration for road damage and repairs, to which Salazar answered that the entire county was impacted, that all roads were affected by flooding, and that special attention will also be given to low water crossings, culverts and pot holes. Ortega also asked how staff and equipment is holding up, and Salazar said there are no problems, except expected minor problems with equipment. Ortega concluded by thanking Salazar and the entire staff for their hard work.

**Commissioner Sena:** Had no questions, but commended the entire staff for their hard work and attention during the flooding and its aftermath.

**Commissioner Padilla:** Had no questions, but also expressed his thanks to the entire staff for their work.

**Commissioner Ortiz:** Emphasized the need to repair potholes in a manner that will provide a long-term solution, and said that the road to North San Isidro requires immediate pot-hole repair.
